- Block Diagram
- Part List
- Operational Description

The documents mentioned above contain detailed system and equipment descriptions and as such are considered proprietary information. Public disclosure of any of the above documents might be harmful to our company and would give competitors an unfair advantage.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFT §2.803 and the importation rules in 47 CFR §2.1204, and while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting the commission to grant short-term confidentiality for the following attachment(s) for 180 days after the grant, as outlined in Public Notice DA 04-1705.
